POSTMUS TAPS FORMER MAYOR TO CONTINUE PUBLIC SERVICE

"Mac" Dube Will Represent Supervisor Primarily in Morongo Basin

SAN BERNARDINO – San Bernardino County First District Supervisor Bill Postmus announced today that he is appointing former Twentynine Palms Mayor M.J. "Mac" Dube to be his Community Liaison Officer for the Morongo Basin area.

The appointment will become effective upon Board of Supervisors approval of a contract at its regular meeting tomorrow in San Bernardino.

Dube recently retired after eight years of service as a member of the Twentynine Palms City Council, which included service as Mayor in 1996 and 2000.

Dube's duties will include representing the Supervisor at meetings, conferences, and various functions, including alternate representation on certain advisory and/or governing boards. He will also act as a liaison between the community and various County departments and agencies. Dube will receive a small stipend for his service, similar to that which he received as a Member of the City Council, and will be reimbursed for work-related expenses.

Prior to his service on the Twentynine Palms City Council, Dube, a decorated, 38-year Marine Corps veteran, served as Chief of Staff and Deputy Commanding General of the Marine Corps Air-Ground Combat Center at Twentynine Palms. Colonel Dube retired from the Marines in 1989.

Dube holds a degree in Educational Psychology and Counseling from the University of San Diego, which he received Magna Cum Laude in 1974.

Dube also serves the Twentynine Palms community as a Rotarian and an Elk. He, his wife, Patricia, and their now-grown twin sons moved to Twentynine Palms in 1984.

Supervisor Postmus recognized Dube in November by presenting him with a Resolution from the Board of Supervisors at Dube's last City Council Meeting as a Council Member.

Postmus said today he is proud to welcome Dube to his staff. "Mac Dube has given more than a lifetime of public service to his country and community, and I couldn't be more proud to have him now representing my office," Postmus said.
